New Zealand Fast Facts

A Wellington suburb is named after the famous borough of Brooklyn in New York. Some of the streets were named after American presidents, including McKinley, Taft and Cleveland. The large park separating Brooklyn from the city was, of course, named Central Park.

Dear Prayer Partners

*At my first answer no man stood with me, but all men forsook me...*  
2 Timothy 4:16a

This was my attitude at the start of deputation and many times in the early days. I would go from church to church wondering if anyone cared about souls and the Saviour. The days were quite long and I was ready to quit many times. But the Lord taught me to, "Watch ye, stand fast in the faith, quit you like men, be strong." (1 Corinthians 16:13) Now I stand amazed in the presence of Jesus and the mighty work that He has done in bringing together so many churches to get the work done in New Zealand. We stand now in need of only approximately ten more churches at \$50 each to be able sustain us in the land of the long white cloud.

**The Snyder Saga**

This month saw us in four states: South Carolina, Tennessee, Alabama, and Georgia. We have been blessed by the zeal of the saints, the fervor of the preachers, and the mercy of our God. The meetings have been good, the preaching has been hot, and the driving has been safe. The Lord allowed us to: collect and sell pecans for the unborn, shovel snow, set a mobile home on a hill, unload a tractor trailer full of household belongings, attend a special wedding, move trees, clean a miniature golf course, tear down a brick wall, dig a ditch, break up concrete, dig a pit, preach at a college, bail a brother out of jail (arrested for preaching without a permit), preach at Wal-Mart, say goodbye to old friends and see one 68 year old man (Robert) in Statesboro, GA accept Jesus as his Saviour. What a blessing to be used by God.

I want to say, I really appreciate churches with jail and prison ministries and have seen much fruit from these ministries. I can hardly wait to start one in NZ and watch the Lord work.

**The Residency Saga**

After many talks with Immigration NZ about our EOI for residence, with a different answer each time. (They don't seem to have any answer to how this should be done. They haven't made allowances for what they call a minister of religion (missionary) in their latest paper work.) We have submitted our application and expect the right answer from the Lord. Please continue in prayer with us for the Lord to bless.

Thank you for supporting these poor servants with your prayers and finances.
